Count the dots and the spaces

Count each dot once. Write the dots and the empty spaces. Each frame has ten spaces.

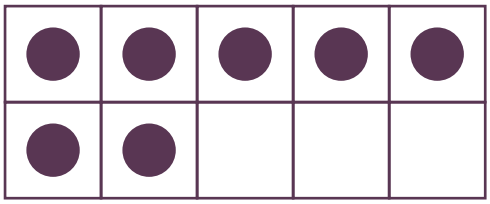

Dots: _____

Empty spaces: _____

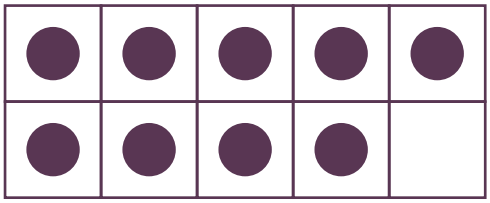

Dots: _____

Empty spaces: _____

Dots: _____

Empty spaces: _____

Dots: _____

Empty spaces: _____

Dots + empty spaces = 10.

Make these numbers

Draw dots in each frame, starting at the top left. How many spaces remain?

Draw 3 dots.

Dots: _____

Empty spaces: _____

Draw 6 dots.

Dots: _____

Empty spaces: _____

Draw 8 dots.

Dots: _____

Empty spaces: _____

Draw 10 dots.

Dots: _____

Empty spaces: _____

Targets: 3, 6, 8 and 10. Count, point or say your answers.

Answers and a blank frame

Page 1: 2 dots + 8 spaces; 5 + 5; 7 + 3; 9 + 1. Page 2: 3 + 7; 6 + 4; 8 + 2; 10 + 0.

Dots: _____

Empty spaces: _____

My number

How I worked it out

A blank frame can show zero dots and ten empty spaces, too.
